List of Lands available for distribution under the Land Colonisation Scheme.

240. **MR. A. J. JOHN** (*Vaikam*): Will the Government be pleased to state:

(*a*) whether lands in the possession and enjoyment of private persons are included in the list prepared in connection with the Land Colonisation Scheme ;

(*b*) whether, under the existing Puduval Rules, these lands have to be registered in the names of those persons who are already in possession ; if so, why these lands have been included in the above list ;

(*c*) whether the Land Revenue Commissioner has made a personal inspection of these lands ;

(*d*) whether the Government have passed any orders to register these lands in the name of persons who are in possession of them ; and

(*e*) whether any action has been taken by the Government against the officers who prepared the list including such lands?

MR. T. P. RAMASUBBA AIYAR (*Secretary to Government*):

(*a*) Such blocks of land as have been found to be available for land colonisation purposes may have been included in the preliminary lists prepared for the purpose. But, under Rule 6, it is the Land Colonisation Committees that have to inspect and select the lands suitable for colonsation.

(*b*) If there are scattered areas under occupation in any of the blocks selected for land colonisation, such occupation will have to be dealt with under Rule 7 of the Land Colonisation Rules. The Puduval Rules have no application in such cases. In view of this, the latter part of the question does not arise.

(*c*) No.

(*d*) No.

(*e*) In view of the answers to parts (*a*) and (*b*), the question does not arise.

MR. A. J. JOHN (*Vaikam*): May I know whether any land in the possession and enjoyment of private persons is included in the preliminary list ?
